

PRESS RELEASE

REGIMBEAU MUNICH: ARRIVAL OF MASAHIRO TAHARA

Munich, 11 April 2017 - Established in Munich since 2012, REGIMBEAU is pleased to announce the arrival of Masahiro TAHARA

A qualified Japanese Patent Attorney, **Masahiro TAHARA** gained several years' experience in IP law firms and in a manufacturing company in Japan. Specializing in Mechanical Engineering, he started his IP career in 2004 after earning a Bachelor's degree from Yokohama National University.

REGIMBEAU is widely recognized as a leading firm at the European level, having a vast and successful experience in representing European and non-European applicants for all proceedings before the EPO. Masahiro will strengthen our Munich Office, which has a dedicated team and procedures relating to European/Euro-PCT patent applications from foreign clients.

Historically based in Paris, REGIMBEAU, an Intellectual Property leader, is present in Montpellier, Lyon, Grenoble, Toulouse, Rennes and Caen.
